RE: TAMSS 2020 Vision – 32nd Annual Educational Conference

Dear TAMSS Member –

We continue to closely monitor developments and updates from federal and state public health officials regarding the rapidly evolving novel coronavirus (COVID-19) situation. TAMSS has decided to reschedule the 32nd Annual Educational Conference to the summer in an effort to keep our members safe. We are committed to being responsible Board of Directors and members of our state association, while continuing to be a partner you can count on. Given the recent decision by the World Health Organization (WHO) to declare the spread of COVID-19 as a global pandemic, we feel this decision was necessary to protect the health and safety of our State Association Members & community.

We apologize for any inconvenience this rescheduling may cause you. In the coming weeks, we will communicate information regarding paid registrations, fees, reimbursement, and new conference dates.

With respect,

Amy Trivett
